lead at that battle had two of its best men scalped by Pike's men, women and children killers. We have not a very light estimation of "Sir Knight" Pike, yet we have placed his paper on our exchange in the analysis of "Souther" than he was in 1862; if not food have mercy on his sout. As all such as he have become "reconstructed" and taken the oath of feality to the old United States, we shall be obliged to forgive him for his diabolism. His paper, however, judging from the number of fore us, is anything but reconciled to the present state of affairs.

No copy of the Daily or Weekly Ap-

In the same number the following 50 to 60c. secondrelly forgery is perpetrated. A In uncurrent money there is no activ-SPECHT'S CONFECTIONARY

these: "for that hypocrisy that pretends of three million dollars to the Bosion, to love freedom while it brutally strangles | Hartford and Erie raijroad. The applications for appointment as That is lie No. 2. If the Editor of the Times ever led a regiment, he was a disgrace to the Federal service, as he is to the fraternity of Editors. We leave him to the bangman, recommending him him to the bangman, recommending him.

That is lie No. 2. If the Editor of the registers of bankrupter continue to arrive at the rate of nearly three hundred per day, and Chief Justice Chose finds the labor so great in making selections that all the appointments will not be made for at least two months.

A little piece of land at the corner of We quote chickens at \$6 to \$7, and turto the fraternity of Editors. We leave him to the hangman, recommending him to go and lie no more, unless he is sure not to be found out, or unless it will pay.

that all the appointments will not be made for at least two months.

A little piece of land at the corner of Lombard street, London, a site for one not to be found out, or unless it will pay.

We copy the following from the St.

Louis Republican, as forther evidence that "human nature is one thing, and Scaliwag nature another:"

He house expected to cost 170,000, and rever, and 38 25 to 58 35 form store. He copts for the day, 908 bbts.

A Paris circular for April 5th gives the BOPE—A light stock with no demand. Prices are steady. We quote for mand prices are steady. We quote for machine made 122 to 13c; hand Scallwag nature another:

THE NATURE OF THE HEAST.

We see that the San Francisco famine relief association has sent thirty thousand dollars in gold as a contribution to the fund for the relief of our suffering and starving fellow-countrymen at the south. This is like whole-souled California. The motive to this handsome act of charity is not to be found in any sympathy for rejeifflour or receis. California pronounced herself against both as strongly as any part of the union, and backed her words.

French market: American 5-26, however, continue to keep up, in spite of the general want of confidence, which merely furnishes another proof of the fact that the credit of these bends is beyond the reach of European influences. The injuries are firm. The stock on hand strength of the probability that the credit of these bends is beyond the reach of European influences. The highest point ever reached, the fail on the backet her words of the purchase of Russian America.

Great Importance was at first attached to this question, on account of the probability that the change would be very for all grades and prices are unchanged.
